10. Tuition & Fees

The tuition and other expenses for the students enrolled for the 2020 year are as follows.

Admission Fee	¥200,000 (¥200,000/year)
Tuition	¥357,500 (¥715,000/year)
Research / Practicum Fee	¥43,500 (¥87,000/year)
Educational Development Fee	¥104,000 (¥208,000/year)
Total	¥705,000 (¥1,210,000/the first year total)

Notes:

1. In addition to the above, Students will be charged a fee for joining the Alumni Association (¥2,000).
2. The admission fee is reduced by half for students who have graduated from any Bachelor’s Program at Kwansei Gakuin University.

11. Status After Admission

- (1) The student’s status may be changed from Special Student to Regular Student after a minimum of one semester (half a year), depending on the student’s research work. The decision will be based on credits obtained by the student and the student’s course grades. This would be based on the decision of the Faculty Council of the Graduate School of Science and Technology
- (2) A request for a change of status must be submitted with a letter of recommendation from the supervising professor.
- (3) Credits earned as a Special Student are counted toward graduation.
- (4) Before a Special Student can receive a Master's degree, the student must become a Regular Student and remain as such for at least one semester.
- (5) Students are allowed to remain at Special Student status for purposes of study, but such students will not be able to receive Master's degrees.

12. Status of Residence After Admission

In principle, foreign students, once admitted to the university, must apply for and acquire the ‘Student’ status of residence (‘Student’ visa). Kwansei Gakuin University offers an Admission Certificate, but the university cannot guarantee your obtaining ‘Student’ status of residence in Japan. Therefore, it is the responsibility of each student to apply for the above status. For more details about status of residence, ask at the Immigration Bureau.

13. Tuition Reduction System and Scholarships

(International Students)

Kwansei Gakuin University has a tuition reduction system for international students who maintain the ‘student’ status of residence and meet certain financial status requirements. For 2020, the reduction is 30%. (Reduction rate for 2021 and beyond will be announced at a later date)

Kwansei Gakuin University also has scholarships for International Students who are in need of financial aid and maintain high academic standards. Details are as follows. (Selection is based on the results of the entrance examination etc.)

Tentative Selection Pending University Entrance: 50% of the total amount of tuition

Selection after University Entrance: 35% of the total amount of tuition

“Tentative Selection Pending University Entrance” is a system for selecting students to receive tentative scholarship placements before entering Kwansei Gakuin University. Approximately 40% of students will be chosen as candidates to receive this scholarship based on their undergraduate academic records, graduation thesis, and the results of their entrance examination. The university targets students who are expected to conduct outstanding research after entering the program. Selected candidates will be notified before their entrance into the program. However, it is necessary for students to meet all requirements related to their status of residence, etc., in order to be officially selected to receive the scholarship. (The number of candidates for April 2019 was 26.)

Besides the scholarships mentioned above, various scholarships from other foundations/organizations are also available.

14. Protection of Personal Data

Personal data provided by applicants at the time of application is used by Kwansei Gakuin University for the purposes of selection and communication with applicants. Appropriate steps are taken concerning the security of this information, in conformity with the Law concerning the Protection of Personal Data.

In order to provide students with information concerning various associations, Kwansei Gakuin, together with the University passes on selected portions of the data provided by successful candidates (specifically, their names, addresses and telephone numbers) to the organization(s) listed below. Students are asked to permit this use, and to accept that the organization(s) in this list will take the same precautions concerning the security of this personal data.

Organizations Receiving Selected Personal Data

Kwansei Gakuin Alumni Association	A social association of alumni and students. All students automatically become ‘student members’.
