

2) For use by students who are prohibited from attending school due to having returned to Japan or entered Japan from overseas

[For the duration of the COVID-19 response]
March 2020

If you have been prohibited from attending class because you have returned to Japan or entered Japan from overseas, please use the Questionnaire on Health Conditions to monitor your health. If you have displayed no symptoms 14 days after returning, (counting the day of your return as day one), fill out this form and submit it to the office at your affiliated school or graduate school (or CIEC, if you are an international student at KGU through a student exchange agreement, or a short-term international student at KGU through a CIEC-operated program). *If you have been diagnosed with a school-designated infectious disease, use the regular School Attendance Permission Certificate for Students with a School-Designated Infectious Disease. *If you have been from attending school because you have a fever and cold symptoms, use the Report on Cold-Like Symptoms. *If you have been prohibited from attending school because you have been ordered to remain at home by a public health center or other facility as they have been in close contact with an infected person, use the Notice of Completion of Health Monitoring in Relation to a Designated Infectious Disease.
