●Certificate of Annual Health Checkup Results:

Certificate of annual health checkup results can be issued upon your request at Health Care Center after 13 May.

●Others

At the Health Care Center, medical check-up will be carried out after we have taken the following measures against COVID-19. On the morning of your visit, be sure to check whether you have any of the following symptoms.

If any of the above apply, you will not be able to undergo a medical check-up on the day. Please contact us and we will change your schedule.

A fever (37° C or higher, or a body temperature higher than normal) or any of the following symptoms, or you have had any of the following symptoms in the past 2 days

Cough, difficulty breathing, general malaise, sore throat, runny nose, nasal congestion, headache, joint/muscle pain, diarrhea, nausea, vomiting, taste disorder, olfactory disorder, etc.

Returned from abroad in the past 2 weeks

In the past 2 weeks, have come into contact with someone with COVID-19 or a suspected case (including someone you live with/at your workplace who has had a fever)

You may have had a lot of contact with someone with COVID-19, and you are waiting to receive a diagnosis (including voluntary waiting)

You are infected with COVID-19 and less than 2 weeks have passed since symptoms appeared

.....
