

FAQs (2023)

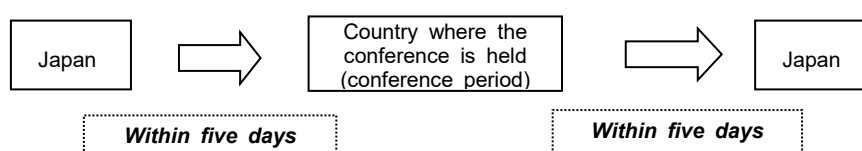

Q1 *When is the application deadline for the subsidy to participate in a conference scheduled for July?*

A1 End of May (the last day of the month that falls two months before the first day of the conference). Please submit the application documents to the Division for Research Development and Outreach through your school office.

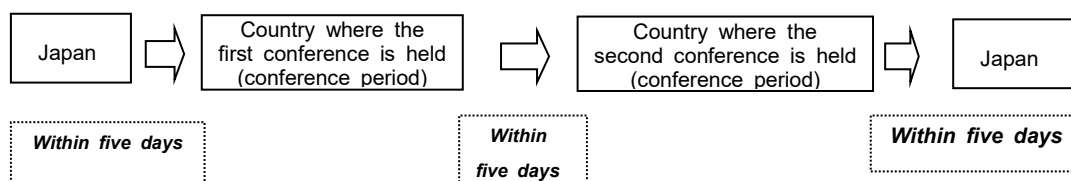

Q2 *What types of travel are eligible for the subsidy?*

A1 Travel with the purpose of participating in a conference (conferences) as a presenter, convener or manager. To be granted the subsidy, applicants must depart from Japan for the place of the (first) conference within five days before the first day of the conference, and return to Japan from the place of the (last) conference within five days after the end of the conference.

1) When participating in one conference as a presenter, convener or manager:

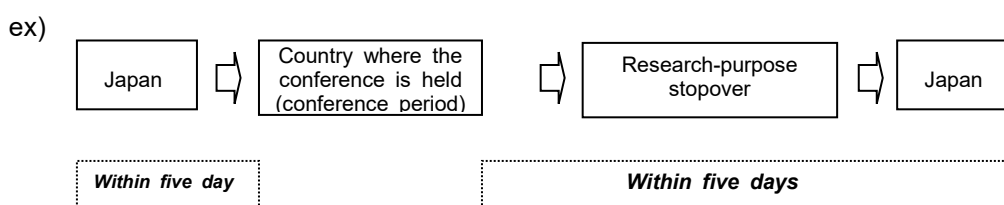

2) When participating in two conferences as a presenter, convener or manager:

Q3 *I will be participating in a conference as a presenter and would like to make stopovers in a country/city other than the place of the conference to conduct research activities. Can I apply for the subsidy?*

A3 You can apply for the subsidy. When making a stopover for research purposes, you need to inform us of the stopover in the application form and to submit documents to prove your research activities.

Q4 *I will be participating in a conference as a presenter and would like to make stopovers in a country/city other than the place of the conference for non-research purposes. Am I eligible for the subsidy?*

A4 No. If you are making stopovers for non-research purposes in a county/city other than the place of the conference you are not eligible for the subsidy.
