

Research Seminar Application Schedule

The following is the schedule for the application, screening and class allocation for Research Seminar I. Research Seminar I is the course for 3rd-year students. Students, who will be 3rd-year at the time of 2022, are required to apply for Research Seminar I in 2021. Please read thoroughly, and do not miss any procedures and required document submission.

1. <Announcement of Application Procedures & Schedule>

Thoroughly read the leaflet “Research Seminar I Application Procedures”, which is also available at SIS homepage. (Download it from the SIS web site in the middle of July.)

2. <Web Orientation>

The orientation movies made by Research Seminar instructors will be released on Kyogaku Web Service from middle of September. Watch the movies on the classes you are interested in and understand what the seminars are like.

3. <Application Submission (1)>

Between Thursday, November 4, 8:50 and Wednesday, November 10, 16:50, submit the “Research Seminar I Application Form*,” indicating your first choice of seminar class, via Microsoft Forms.

4. < Screening (1)>

When the number of applicants exceeds the class capacity, screening will take place between Monday, November 15 and Monday, November 29. If the number of applicants is within the class capacity, all applicants will be accepted. In principle, the screening is done based on the submitted application documents, however, interviews and other screening procedures may be required depending on the class. The details should be confirmed in the “Research Seminar I Application Procedures.” Pay attention to additional information seminar instructors may provide regarding the screening procedures.

5. <Screening Result>

The result of Screening (1) will be posted on the SIS Information Board and Kyogaku Web Service on Friday, December 3, 9:00.

6. <Application Submission (2): ONLY those whose class has not been determined>
