

Pre-Applying Courses in English offered by Language Center

There are some courses that are lectured in English offered by Language Center as below. You can find these courses in the big SIS timetable or LC course list in your handout. They are required to apply before the course registration period. If you are interested in taking these courses, please apply during the following period at the Kyogaku Web Service. Please be reminded that once you register for those courses, you are not allowed to drop them. So, please make sure that you look through the course syllabi and check your class schedule before you apply.

- **Skills-based English**
- **Language and Communication / Culture and Society
/ Academic Writing and Presentation**
- **Project-based Seminar in English**
- **Special English Seminar**

Application Period

Apply at Kyogaku Web Service during the following period.

	Spring 2021
Online Application Period	Thursday, April 1, 9:00 ~ Saturday, April 3 16:50
Announcement	Wednesday, April 7 at 9:00 on Kyogaku Web Service

※Pre-applying courses have to be registered by the designated due date.

[Remarks]

*If applicants reach the maximum student number of a class, they will be selected by lots.

*The lots result will be announced on the Kyogaku Web on the date above.

***These pre-applying courses cannot be dropped.** Please check the syllabi carefully and apply for the course.

*The credit you earned will be counted towards the optional courses.

*English certificate submission is not required for English-based international students.

*EbIS can take all levels of classes: L1 to L4. Please refer to the Language Program 2021 for details.

Compulsory Language Courses and other language Courses

2015年度(春学期) 国際学部『言語教育科目』時間割・Timetable of SIS[Languages: 2015 Spring Semester]

You will receive “T timetable of SIS 【Languages: 2021 Spring Semester】 as it is on the left. This is the schedule for the first foreign language course only, which is Japanese classes for English-based international students, and they are pre-registered on your online time schedule at Kyogaku Web Service. Compulsory language courses are registered by the school. Students can use this timetable to check the Japanese class schedule and classroom, not only at Kyogaku Web Service Timetable.

Taking Language Courses other than Japanese

If you'd like to take a language course other than Japanese, please select a course from “2021 年度 授業時間割表”; the big SIS timetable, or Language Programs 2021; issued by Language Center. Language courses on the big SIS timetable are lectured in Japanese as their course names are written in Japanese.

If you are planning to take these courses, please come to the SIS office.
